MOUNTAINSIDE VACATION OWNERS'

Spring & Summer 2018

Leases

We are entering into the time where the leases purchased 40 years ago, are starting to expire. We have had some come up in 2018 and more in 2019. We have also come up with a way for those expired/expiring leases to be extended if owners wish to. You will be notified by written letter regarding the extension in the year your lease expires. Kathy will be moving forward and handling the lease extensions at that time.

NEW!!

Mountainside Villas has had a busy spring and summer, we have completed a program upgrade that allows for interfacing from the Mountainside Villas website via a portal; to the system we use. The portal is available to every owner at Mountainside Vacation Villas with an active lease(s). Logging into the portal via the website will allow owners to view their account, and be able to see balances or credits on accounts, see future reservations, past reservations and immediately change owner information such as address, phone numbers and email addresses.

If you do not know your login information or password, you may call Mountainside Villas at 855.345.6341 and we can give you the information you need. Currently you cannot book or deposit via the portal, but maybe in the future that will be possible. Stay tuned ...

*Note: There is a 'WHEN TO BOOK' chart located on the website under the owner tab, it is helpful for planning your next year booking, telling you what day to call to reserve one year in advance. To book for 2019, booking days are <u>Mondays</u>.

Food Delivery Service

Mountainside Villas has been offering our guests the opportunity to have meals brought to them, fill the fridge with meals prepared to make the vacation just that, a vacation from cooking! We have joined forces with a 'made from scratch' eatery 18 km's south of Fairmont in Canal Flats.

For those guests interested in pre-ordering meals to have stocked in the villa upon arrival, we ask you contact *EN-JOY Home Cooking Ltd* two weeks before your arrival to place your order. Please call Maddi or Alana at 1.778.523.5035

If you visit www.mountainsidevillas.com under the services tab, it will show the current menu items available.

NO PETS POLICY:

Mountainside Vacation Villas has always been a **<u>no pets</u>** resort.

We have had many guests in the last while call to ask and or just bring their furbaby with them. We are

issuing a friendly reminder to all

owners and guest that we have a strict **no pets** policy in effect always. We do have kennels in the area and you may contact them in advance to set it up. We thank you in advance for not bringing your pets to

Mountainside Vacation Villas

CHECK-IN AND CHECK OUT TIMES

A reminder for our guests. Check-in time at the Villas is 4:00 pm, not before. If you do arrive before 4:00 pm and your Villa has been cleaned you will be allowed access, but if the Villa has not been cleaned then the access time will be 4:00 pm or after when the villa is ready for accommodation. Our housekeeping department cannot drop the unit they are cleaning to accommodate early check-ins in another unit. It puts extra strain on the department and is not fair to other owners. Check out time is 10:00 am or before so we can keep our cleaning on schedule.

MOUNTAINSIDE VACATION SCHEDULE

Please take the time to verify your vacation week dates. Confirm your reservation at least two weeks in advance of check-in (855 345-6341). If you are unsure of when your week is scheduled, or how to read the Mountainside Vacation Schedule, do not hesitate to call the Reservation Office for assistance. The department is staffed Monday to Friday between 9am and 5pm MST, closed statutory holidays.

Reservation requests made by the website www.mountainsidevillas.com (owner request form) or email info@mountainsidevillas.com will be addressed when time is available between dealing with patrons at the counter and phone enquiries. If you call at times outside of regular office hours please understand that the Front Office staff on duty will gladly take a message, but they are unable to reserve any reservation requests. Owners of **Floating Time** should note you may reserve your allocated week allotment up to one year in advance of the desired week. Should you call to request a booking less than one year in advance, you risk being unable to book space either for personal use or deposit with a vacation exchange company.

Floating Owner reservations are made on a first come, first served basis, according to space availability. Reservations again, may be made up to one year in advance on a <u>week number</u> basis, beginning the first weekday of the week in the year preceding the sought after week of arrival based on the Mountainside Vacation Schedule. Thus, the first day one may arrange for a reservation in the coming year will always be either a *Friday or Monday*, whichever occurs first in the present year's week number.

As a reminder to those of you that wish to deposit with an external exchange company, you still need to reserve your week as usual at your home resort (Mountainside Villas) up to one year in advance in order to trade a week for a week elsewhere. You must deposit the weeks up to 4 months in advance to receive full points with CIG and at least 2 months in advance for regular week deposits to ensure a regular deposit. <u>*Maintenance fees must be paid for week(s) depositing.</u>

NOTICE FOR COMMUNICATING TO OWNERS

Communication to our owners will continue to be posted on our website for owners to view and comment. Rental and reservation confirmations will be emailed. This is a huge cost saving to our owners. For those owners without an email, we will continue to mail all correspondence. Invoices and statements will continue to be mailed. Please keep us informed of any changes to your email address as this is as important as your mailing address. If you are not receiving offers or notices from us and have an email address, please contact us to update your profile.

WHAT'S NEW AT MOUNTAINSIDE:

As of May 1st, David Dupont will be stepping back as the General Manager, he will remain CEO of Fairmont Villa Management as well as remain as a consultant until the end of the contract.

In his place, we welcome Kathy Grieve as the new General Manager. Kathy has been with the company for many years and has great knowledge of all aspects of the company. She is a great fit for the position.

Erin Gornik has taken Kathy's place in reservations and we also welcome Dianna Rose into the reservations office to complete your reservations team, for any reservation inquiries or questions, please contact them Monday thru Friday, 9 am to 5 pm MST or email info@mountainsidevillas.com

Beth Young is back in the office in her role of the Office Manger. She returned in January and is looking forward to seeing faces she has missed while she was off. Welcome back Beth, we missed you.

Mountainside has gone thru another cycle of refurbishment, new roofs, carpeting, cabinets etc .. Some villas having a complete overhaul some just needing some TLC in specific areas. We have also replaced decks and propane lines ... it has been a busy few months.

Now that the weather has finally sprung forward to summer, the grounds around the villas are lush and green, trees and bushes are in bloom, golfers are out and about and we are just waiting for our next guests, momma black bear and cubs. Keep your eye out for them when you are here hiking trails or just sight seeing. They are marvelous to see.

The Bear's Den Coffee shop located in the upper lounge is in full summer swing, now serving smoothies and milkshakes .. Stop in and say hi to Jan and get yourself a great treat ... the staff sure appreciates the new goodies! Thank you Jan.

Here's to another great summer at Mountainside Villas, hope to see you all here at some point this summer.

Sincerely,

Your Mountainside Team

REFURBISHING VILLAS AND RECREATION CENTER

Our refurbishment program is completed on an 'as needed' basis, and therefore the villas are in a constant state of refurbishment. Funds collected from owners for refurbishment include linens, bedding, flooring, electronics, furniture, mattresses, roofing, countertops, banisters, painting and any item of significant value.

As we have 116 units, and we are able to complete about 10-15 units per year for upgrades. The total cycle takes about 10 years and then it is started all over again.

During this time, it can have some noisy moments, and if needed we move guests to other villas to accommodate the work schedule. We ask guests to be patient, this work needs to be done throughout the year.

The Recreation Center has seen some upgrades as well to front desk area with a new lighter look, new counter top etc ..

The grounds around the villas are also undergoing some cleaning of debris and unsafe trees. Everyone is working hard to have the property in tip top shape again this year. We are very proud of all the members of our team.
